447 british and american poems by 150 poets including contemporary poets

a collection of humorous language bloopers including misspelled words bungled translations mangled modifiers and much more

business in india is on a growth trajectory and is turning out to be a major contributor to the social development of the country

presents more than two hundred poems by sixteen spanish and latin american poets from the renaissance and baroque periods  
 and the nineteenth and twentieth centuries in spanish and in english translations by noted poets

this authoritative handsomely designed anthology of poetry from the anglo saxon to the contemporary stresses major figures  
 without neglecting minor ones of quality meant for survey and genre courses and for all interested readers it offers responsible  
 scholarly texts for study in themselves and for seeing both the continuities and the changes in dominant modes over the centuries  
 the larger aim is to enhance the appreciation of poetic art generally selection is based on excellence along with certain necessary  
 considerations how well poems reflect their periods show the development of a form or genre illustrate a poet's range and speak to  
 modern sensibilities whenever feasible complete poems are used in addition to headnotes annotations and known dates of  
 composition and publication poetry in english includes m l rosenthal's introduction sally m gall's comprehensive essay on  
 versification and an author title first line index it is the ideal text for students and teachers alike

a new series of bespoke full coverage resources developed for the 2015 gcse english qualifications written for the 2015 aqa gcse  
 english literature specification this student book provides in depth support for studying telling tales the aqa anthology of modern  
 short stories with a dedicated unit for each short story this resource builds students skills and confidence in understanding and  
 writing about these exciting short texts an exam preparation section includes practice questions example answers and a chart  
 comparing themes and ideas see also our short story anthology print and digital pack which comprises the print student book the  
 enhanced digital edition and a free teacher's resource

this text anthology will support students working towards the edexcel gcse english language qualification 9 1 and includes over 100 fiction and non fiction extracts

discover the number one bestselling phenomenon that is a powerful and profound meditation on grief expressed through the trials of training a goshawk winner of the costa book of the year winner of the samuel johnson prize for non fiction as a child helen macdonald was determined to become a falconer learning the arcane terminology and reading all the classic books years later when her father died and she was struck deeply by grief she became obsessed with the idea of training her own goshawk she bought mabel for 800 on a scottish quayside and took her home to cambridge ready to embark on the long strange business of trying to train this wildest of animals h is for hawk is an unflinchingly honest account of macdonald s struggle with grief during the difficult process of the hawk s taming and her own untaming this is a book about memory nature and nation and how it might be possible to reconcile death with life and love selected by cariad lloyd on bbc two s between the covers this beautiful book is at once heartfelt and clever in the way it mixes elegy with celebration andrew motion it just sings i couldn t stop reading mark haddon bestselling author of the curious incident of the dog in the night time dazzling deeply affecting utterly fascinating and blazing with love and intelligence financial times

this comprehensive anthology attempts to give the common reader possession of six centuries of great british and american poetry the book features a large introductory essay by harold bloom called the art of reading poetry which presents his critical reflections of more than half a century devoted to the reading teaching and writing about the literary achievement he loves most in the case of all major poets in the language this volume offers either the entire range of what is most valuable in their work or vital selections that illuminate each figure s contribution there are also headnotes by harold bloom to every poet in the volume as well as to the most important individual poems much more than any other anthology ever gathered this book provides readers who desire the pleasures of a sublime art with very nearly everything they need in a single volume it also is regarded as his final meditation upon all those who have formed his mind

a comprehensive historical anthology of english language literary works from singapore it attempts to place the texts that have imagined the territory and the people who are now recognizably singaporean in a historical narrative to be read studied critiqued and treasured

the longman anthology of old english old icelandic and anglo norman literatures provides a scholarly and accessible introduction to the literature which was the inspiration for many of the heroes of modern popular culture from the lord of the rings to the chronicles of narnia and which set the foundations of the english language and its literature as we know it today edited translated and annotated by the editors of beowulf other stories the anthology introduces readers to the rich and varied literature of britain scandinavia and france of the period in and around the viking age ranging from the old english epic beowulf through to the anglo

norman texts which heralded the transition middle english thematically organised chapters present elegies eulogies laments and followed by material on the viking wars in the anglo saxon chronicle vikings gods and icelandic sagas and a final chapter on early chivalry introduces the new themes and forms which led to middle english literature including arthurian romances and chaucer's canterbury tales laying out in parallel text format selections from the most important old english old icelandic and anglo norman works this anthology presents translated and annotated texts with useful bibliographic references prefaced by a headnote providing useful background and explanation

get thee to a punnery proves that the pun is mightier than the sword and here are sidesplitting puns of every color stripe and persuasion to suit every whim even if you don't know that your humerus is your funny bone this is the book for you the time of the signs on a diaper service truck rock a dry baby on a plumber's service truck a flush is better than a full house show me where stalin is buried and i'll show you a communist plot edgar bergen quiche me i'm french hangover the wrath of grapes work is the ruin of the drinking classes oscar wilde

in the tradition of iron and silk and touch the dragon jamie zeppa's memoir of her years in bhutan is the story of a young woman's self discovery in a foreign land it is also the exciting début of a new voice in travel writing when she left for the himalayan kingdom of bhutan in 1988 zeppa was committing herself to two years of teaching and a daunting new experience a week on a caribbean beach had been her only previous trip outside canada bhutan was on the other side of the world one of the most isolated countries in the world known as the last shangri la where little had changed in centuries and visits by foreigners were restricted clinging to her bags full of chocolate hair conditioner and immodium she began the biggest challenge of her life with no idea she would fall in love with the country and with a bhutanese man end up spending nine years in bhutan and begin a literary career with her account of this transformative journey at her first posting in a remote village of eastern bhutan she is plunged into an overwhelmingly different culture with squalid third world conditions and an impossible language her house has rats and fleas and she refuses to eat the local food fearing the rampant deadly infections her overly protective grandfather warned her about gradually however her fear vanishes she adjusts begins to laugh and is captivated by the pristine mountain scenery and the kind students in her grade 2 class she also begins to discover for herself the spiritual serenity of buddhism a transfer to the government college of sherubtse where the housing conditions are comparatively luxurious and the students closer to her own age gives her a deeper awareness of bhutan's challenges the lack of personal privacy the pressure to conform and the political tensions however her connection to bhutan intensifies when she falls in love with a student tshewang and finds herself pregnant after a brief sojourn in canada to give birth to her son pema dorji she marries tshewang and makes bhutan her home for another four years zeppa's personal essay about her culture shock on arriving in bhutan won the 1996 cbc saturday night literary competition and appeared in the magazine she flew home to accept the prize where people encouraged her to pursue her writing her letters from bhutan also featured on cbc's morningside the book that grew out of this has been published in canada and the united states to ecstatic reviews followed by british german dutch italian and spanish editions although cultural differences finally separated jamie and tshewang in 1997 while

she was writing the book and she returned to canada she will always feel at home in bhutan zeppa shares her compelling insights into this land and culture but beyond the sky and the earth is more than a travel book with rich spellbinding prose and bright humour it describes a personal journey in which zeppa acquires a deeper understanding of what it means to leave one's home behind and undergoes a spiritual transformation

a thousand forests in one acorn an anthology of spanish language fiction brings together twenty eight of the most important spanish language writers of the twentieth century several of which will be familiar to english language readers like carlos fuentes javier marías and mario vargas llosa and many who will be new revelations such as aurora venturini sergio pitol and elvio gandolfo and provides them with a chance to discuss their careers and explain the aesthetic influences behind the pieces they chose to include in this volume unlike other anthologies the stories and excerpts collected here were selected by the authors themselves and represent the high point of their writing career valerie miles translator editor and co founder of granta en español not only curated perhaps the greatest cross section of contemporary spanish language literature to be anthologized but also brings to this collection original interviews with every author along with biographic prefaces before each in order to best introduce the reader to the author's entire oeuvre and his or her literary impact breathtaking in scope and historical detail this anthology will no doubt become a fixture in personal literary collections as well as a go to resource for classrooms and libraries alike valerie miles is a publisher writer translator and the co founder of granta en español she is also the co director of the new york review of books in its spanish translation and in 2013 was voted one of the most influential professionals in publishing by the buenos aires book fair contributors rafael chirbes edgardo cozarinsky jose de la colina cristina fernandez cubas alfredo bryce echenique jorge edwards abilio estevez rafael sanchez ferlosio carlos fuentes elvio gandolfo juan goytisolo javier marías juan marse ana maria matute eduardo mendoza jose maria merino antonio munoz molina horacio castellanos moya ricardo piglia ramiro pinilla sergio pitol evelio rosero alberto ruy sanchez esther tusquets hebe uhart mario vargas llosa aurora venturini enrique vila matas

this comprehensive anthology collects together primary texts and documents relevant to the literature culture and intellectual life in england between 1550 and 1660

grounded in linguistic research and argumentation the english language from sound to sense offers readers who have little or no analytic understanding of english a thorough treatment of the various components of the language its goal is to help readers become independent language analysts capable of critically evaluating claims about the language and the people who use it

the carefully chosen selections in 50 essays include both classic essays and high interest high quality contemporary readings to hold your interest and inspire your writing 50 essays will help you acquire the critical thinking and academic writing skills you need to succeed without making a dent in your bank account

one of britain's most respected television journalists with a reputation built up over many years of covering world events guardian tributes will rightly be paid to a fantastic journalist and brilliant broadcaster but george was the most decent principled kindest most honourable man i have ever worked with jon sope as a five year old george alagiah emigrated with his family to ghana the first african country to attain independence from the british empire a passage to africa is alagiah's shattering catalogue of atrocities crafted into a portrait of africa that is infused with hope insight and outrage in vivid and evocative prose and with a fine eye for detail alagiah's viewpoint is spiked with the freshness of the young george on his arrival in ghana the wonder with which he recounts his first impressions of africa and the affection with which he dresses his stories of his early family life a sense of possibility lingers even though the book is full of uncomfortable truths it is a book neatly balanced on his integrity and sense of obligation in his role as a writer and reporter the shock of recognition is always there but it is the personal element that gives a passage to africa its originality africa becomes not only a group of nations or a vast continent but an epic of individual pride and suffering

this anthology offers a fruitful exploration of the boundary between literary and popular culture and showcases an impressive breadth of literature including songs drama and ballads familiar texts such as the visions of margery kempe and the paston family letters are featured alongside lesser known works often oral this striking diversity extends to the language the anthology includes scottish literature and original translations of latin and french texts

athena gcse guide to edexcel igcse english language a paper 1 guide includes activities with suggested answers and detailed notes on anthology texts this study guide is intended to support learners who are taking an igcse qualification in english language following the edexcel igcse english language specification a 4ea1 with a particular focus on the skills required for paper 1 4ea1 01 paper 1 non fiction texts and paper 1 transactional writing this igcse guide is designed to help the learner explore the non fiction anthology texts from the edexcel igcse english language anthology as well as develop responses to unseen non fiction texts this study guide focuses on non fiction reading and writing using non fiction texts from 20th and 21st century sources throughout the guide reading and writing tasks are provided to support revision a glossary of key terms is also provided this igcse guide will support exploration and understanding of the ways in which writers use informative and persuasive techniques to capture the interest of readers this guide will help the learner demonstrate their own writing skills in a response to a variety of transactional writing prompts and tasks this study guide will also help to lay a sound foundation for those who go on to study english at advanced level as well as appeal to those who are interested in developing their general literacy

a genuinely impressive debut boxer handsome does everything great fiction should revealing a world that most people will never even think about if you can't see what it is that people need from boxing or why it somehow persists into the 21st century then read this guardian boxing runs in bobby's blood his irish dad was a boxer so was his jewish grandfather yanked up by their collars at clapton bow boys club taught how to box and stay out of trouble so bobby knows he shouldn't be messing in street brawls a week

before his big fight with connor the gypsy boy an irish traveller from around the way they re fighting over theresa a traveller girl with connor s name all over her but bobby s handsome like his dad boxer handsome for bobby the ring is everywhere and he can t afford to lose

featuring over two hundred nature themed texts spanning the disciplines of literature science and history this sourcebook offers an accessible field guide to the environment of renaissance england revealing a nation at a crossroads between its pastoral heritage and industrialized future carefully selected primary sources each modernized and prefaced with an introduction survey an encyclopaedic array of topographies species and topics from astrology to zoology bear baiting to bee keeping coal mining to tree planting fen draining to sheep whispering the familiar voices of spenser shakespeare jonson and marvell mingle with a diverse chorus of farmers herbalists shepherds hunters foresters philosophers sailors sky watchers and duchesses as well as ventriloquized beasts trees and rivers lavishly illustrated the anthology is supported by a lucid introduction that outlines and intervenes in key debates in renaissance ecocriticism a reflective essay on ecocritical editing a bibliography of further reading and a timeline of environmental history and legislation drawing on extensive archival research

for the first two years of her life kari herbert lived with her mother and father the explorer sir wally herbert among the inuit people in the vast snowy wastes of the high arctic her first words were inuktun her first friends the children of hunters and the pull of the place and its people lured the family back several times during her childhood then in 2002 she returned to the arctic alone she met her childhood friends again remembered the exhilaration of sledging with dogs across the ice and remembered the language and faces of her early years she also encountered alarming changes the uneasy coexistence of modern life and ancient traditions and of the hopes and tragedy at the heart of this extraordinary and yet deeply familiar community place of family memories and of savage beauty where her friends still hunt and eat whale meat and where she rediscovers a compelling world where light and darkness dominate life

this text provides support for the aqa neab english part of the anthology assessment objectives are clearly stated and all poetry texts are reproduced in full with activities to support them there is also background information on the poets as well as exam practice material

speaking our selves brings together eight remarkable plays by women writers from the under represented african countries of tanzania mozambique ethiopia mali burundi benin and sudan plus a play by award winning ugandan playwright and volume coeditor asiimwe kawe four of the plays are translated into english from kiswahili french or kirundi and french while most of the plays preserve african indigenous languages including runyankore lusoga mina fon bambara luganda kiswahili and kirundi although the plays are united in presenting women as central figures who own their voices they also represent a rich diversity of story telling each unique dramaturgy is rooted in african forms of story telling that occasionally merge with recognizable western forms to

create hybrid dramatic forms these hybrid methods emphasize the striking ways in which african women writers continue to experiment with form moving beyond western influenced dramaturgy if and when it jeopardizes their authentic ways of artistic expression and creation through language movement and music centered in african cosmology the plays within speaking our selves confront a range of ideas and issues including women embracing the potential of agency in often contested subject positions confronting their historical object positions in worlds of devastating patriarchal authority resisting toxic masculinity and persistent oppressive binaries of gender roles finding power in communities of women increasing their acumen in financial business and economic spheres facing tensions between traditional religious tenets and efforts toward secularization living with perpetual acts of violence toward their bodies and the rising mental health issues among girls and women across the continent readers and audiences are challenged by these plays not to be passive witnesses by observing from safe vantage points but rather to be active participants in the stories being told

collins international english foundation and foundation plus provide inspirational fun and age appropriate learning for children in early years and kindergarten classes the materials have been developed in consultation with expert practitioners to be easy to use in the classroom and to support children following a range of early years curricula and who are preparing for their first year of primary education in an international school including schools following the cambridge assessment international education primary framework the course introduces young children to phonics and early literacy skills in an age appropriate way through topic based discovery and activity based learning with plenty of opportunities to explore books and reading through games and hands on exploration careful progression ensures children develop the skills they need to be ready for english in their first year of primary and beyond each level comprises activity books a b and c one for each term supported by reading anthologies a b and c also one per term and a teacher s guide schools can opt to use the course over one or two school years the engaging and brightly illustrated reading anthologies provide a carefully selected collection of colourful stories and stimulus materials to support the development of phonics and early literacy skills collins international english foundation and foundation plus can be used on their own or alongside collins international maths foundation and foundation plus and collins international science foundation and foundation plus to provide a comprehensive early years programme

this volume is an authoritative easy to read introduction to the literature history and theology of the old testament sympathetic to all viewpoints the old testament places at one s fingertips a single source of comprehensive information along with maps charts and illustrations carefully designed to deepen the beginning student s understanding and insight

since its original publication in 1993 this powerful collection has served as a vivid gateway to the history society and culture of contemporary south korea reflecting the poignant motif of exile in korea s experience of modernity this new edition has been expanded to include four new stories scarlet fingernails 1987 by kim minsuk the last of hanak o 1992 by ch oe yun one of korea s most important living writers conviction 2003 by ch oe such ol and from powder to powder 2004 by kim hun adding two important

women's voices and extending the anthology's range into the new millennium none of the stories in this expanded edition remains in print in any other volume and conviction and from powder to powder appear here in English for the first time

the only English language anthology by Pakistani women published in the United States and the world changed goes beyond the sensational headlines to reveal the stories of Pakistani women immigrants and refugees travelers and explorers seasoned authors and fresh voices the twenty-five writers in this volume are as dynamic and diverse as their stories sixty years have passed since the partition of India and it's clear that Pakistani writers have established their own literary tradition to record the stories of their communities famed novelist Bapsi Sidhwa portrays a Pakistani community in Houston Texas still struggling to heal from the horrors of partition in Uzma Aslam Khan's tale a man working in a Karachi auto body shop falls in love with the magical woman painted on a bus cabin Bushra Rehman introduces us to a Pakistani girl living in Corona Queens who becomes painfully aware of the tensions between established Italian immigrants and their new Pakistani neighbors and during the anti-Muslim sentiment following 9/11 a young woman in newcomer Humera Afridi's story searches Manhattan's rubble-filled streets for a mosque filled with nostalgic memories of Pakistan critical commentary about the world's current political climate and inspirational hope for the future the stories in and the world changed weave an intricate enlightening view of Pakistan its relation to the West and the women who travel between the two regions featuring Talat Abbasi Humera Afridi Aamina Ahmad Rukhsana Ahmad Feryal Ali Gauhar Sara Suleri Goodyear Shahrukh Husain Sabyn Javeri Jillani Sonia Kamal Fawzia Afzal Khan Sorayya Khan Uzma Aslam Khan Maniza Naqvi Tahira Naqvi Nayyara Rahman Hima Raza Bushra Rehman Fahmida Riaz Roshni Rustomji Sehba Sarwar Bina Shah Qaisra Shahraz Kamila Shamsie Muneeza Shamsie and Bapsi Sidwa

That's why we regularly update our library, making sure you have access to Systems Analysis And Design Elias M Awad, celebrated authors, and concealed literary treasures. On each visit, anticipate fresh possibilities for your perusing Edexcel Igcse English Language Anthology.

# The Main Focus: Mastering the Art of Prioritization and Achieving Success

In today's fast-paced world, overflowing with information and competing demands, the ability to identify and maintain a "main focus" is paramount to success. This article delves into the multifaceted nature of defining and sustaining a main focus, exploring its impact on productivity, well-being, and overall achievement. We will unpack strategies for identifying your core priorities, techniques for eliminating distractions, and the importance of regular reevaluation to ensure your efforts remain aligned with your goals.

## 1. Identifying Your Core Focus: Uncovering Your True North

The first, and arguably most crucial, step in mastering your main focus is identifying what truly matters. This involves a deep dive into your personal and professional aspirations. What are your long-term goals? What are the steps required to achieve them? Avoid the trap of superficial goals; instead, focus on the underlying values and aspirations that drive you. For example, instead of focusing solely on "getting a promotion," consider the underlying desires: increased financial security, greater responsibility, or the opportunity to contribute more significantly to your field. This deeper understanding allows you to identify actions directly aligned with your true motivations, making the journey more fulfilling and sustainable. Journaling, brainstorming sessions, and self-reflection exercises can be invaluable tools in this process.

## 2. Eliminating Distractions: Creating a Conducive Environment

Once your main focus is defined, the next challenge is to create an environment conducive to maintaining it. This involves proactively identifying and mitigating distractions. Common distractions include social media, email notifications, interruptions from colleagues, and even internal distractions like procrastination and self-doubt. Strategies for minimizing distractions vary from person to person. Some find success in utilizing time-blocking techniques, dedicating specific periods for focused work and others for less demanding tasks. Others benefit from using website blockers, turning off notifications, or creating a designated workspace.

free from interruptions. Experiment to discover what works best for you. The key is creating a sanctuary where you can immerse yourself in your core tasks without feeling constantly pulled in different directions.

### 3. Time Management Techniques: Optimizing Your Focus

Effective time management is intrinsically linked to maintaining a main focus. Prioritizing tasks based on their importance and urgency is crucial. Tools like the Eisenhower Matrix (urgent/important), Pareto Principle (80/20 rule), and Pomodoro Technique can be incredibly helpful in optimizing your time and energy. The Pomodoro Technique, for instance, involves working in focused 25-minute bursts followed by short breaks. This structured approach helps maintain concentration and prevent burnout, crucial elements in sustaining a main focus over extended periods. Remember, consistent, focused effort over time yields better results than sporadic bursts of intense activity.

### 4. Regular Re-evaluation and Adjustment: Staying Agile and Adaptable

Life is dynamic. Your priorities and circumstances will change. Regularly re-evaluating your main focus is not a sign of weakness, but rather a demonstration of adaptability and intelligence. Schedule time for reflection, perhaps weekly or monthly, to assess your progress, identify any roadblocks, and adjust your strategies accordingly. This continuous feedback loop ensures your efforts remain aligned with your evolving goals. It might involve re-prioritizing tasks, adjusting your time management strategies, or even refining your overall objectives. This flexibility is key to long-term success and prevents you from getting bogged down in unproductive pursuits.

### 5. The Power of Saying No: Protecting Your Focus

A crucial aspect of maintaining a main focus is learning to say "no" to requests and opportunities that do not align with your core priorities. This can be difficult, especially if you're a people-pleaser, but it's essential for protecting your time and energy. Saying "no" allows you to focus your efforts on activities that genuinely contribute to your main goals, ultimately increasing your chances of success. Conclusion: Mastering your main focus is a journey, not a destination. It requires self-awareness, strategic planning, consistent effort, and the willingness to adapt. By identifying your core priorities, eliminating distractions, implementing effective

time management techniques, regularly re-evaluating your progress, and learning to say "no," you can significantly enhance your productivity, well-being, and overall success. Remember, clarity of purpose is the bedrock of effective action. FAQs: 1. What if I have multiple important goals? Prioritize them based on their long-term impact and break them down into smaller, manageable steps. Focus on one or two at a time. 2. How do I deal with unexpected interruptions? Develop a system for handling interruptions, such as designated times to check email or a brief response protocol. Learn to gracefully decline non-urgent requests. 3. I struggle with procrastination. How can I improve? Break down large tasks into smaller, less daunting ones. Use rewards and accountability systems to motivate yourself. Address the underlying reasons for procrastination. 4. Is it okay to change my main focus? Absolutely! Life changes, and your priorities will evolve. Regularly reassessing your goals is essential for staying on track with your overall aspirations. 5. What if I feel overwhelmed? Break down your goals into smaller, more manageable steps. Prioritize self-care activities, including rest and relaxation. Seek support from friends, family, or a professional if needed.
